GWINNETT GYMNASTICS TEAM

TAKE NOTE

April 16, 2007

CONGRATULATIONS TO LEVEL 8 GYMNASTS

:: 3 Regional All Around Champions– Sydney, Trystien, Jesse
:: Approximately 10 Individual Regional Medals

NOTE: *Kelly made the Georgia Regional Team but was unable to compete because of a pulled muscle. We love you Kelly and know you would have done awesome, too!*

END OF MAY/SUMMER SCHEDULE

We'll have this out this week!

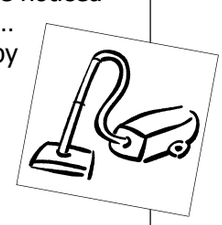
GYMNAST INFO SHEET!

Please check your child's box… you should have a gymnast information form. **WE NEED THIS BACK ASAP!** It's double-sided; so, don't forget to complete the back. It's general information for us to have on your child, her gymnastics history, and a questionnaire about Fall School Schedules.

We're going to get a roster and email list better organized using the info from you, plug-in your child's history into their IGP (Individual Gymnastics Plan), and PLAN the Fall/Spring workout schedule…***The sooner we get the info from you, the sooner you'll have the schedule!***

THIS IS HUGE…

We want to continue making positive, physical changes to the gym and lobby area. Our girls are amazing and deserve the best environment and training facility. You might have noticed some initial spring cleaning, a fresher smell, and a rearranged bar area in the gym… this is just the start of things we want to improve. We can't tackle all the projects by ourselves….. ***WE NEED YOUR HELP, PLEASE!***



We're having a workday **Saturday, May 5, 2007**. Please make plans to help out. We'll choose 3 or 4 of the major projects we'd like to accomplish for the girls. We'll need Muscles, Carpenters (we'll need tools and people who know how to use them), Organizers, Cleaners, and Encouragers☺! We'll have the projects posted by the middle of next week.

SO, YOU'VE GOT QUESTIONS?

The coaching staff has collaborated and established the channels for answering your questions…. We have a coaches meeting every Wednesday for planning, discussing, and implementing. Working to maintain a *spirit of excellence*, we are going to make time during our meeting to review your questions. We all know that two (or more) heads are better than one…it's a principle called synergy.

So, if you have a general question, suggestion, or specific question about your child…you can e-mail **question@ggcteam.com –or– write your question down and give it to one of the coaches (this is just until we can get a drop-box put up in the lobby).** We'll review your question during our meeting and get you a response.

WE'RE GOING LIVE!

More information to come soon…. Josh is working on a communication system for the coaches as well as a web-based "communication-board" for parents and gymnasts.
